

Eco-EduTainment with Kjersten “Magic Mama” Hallin

Photos: Bessie Coleman Elementary 2nd & 3rd graders, Corvallis, Feb. 2023

A “Living in Reciprocity” exercise: Breathing With the Trees!

Our popular “Seed To Plate” activity: learning about all the many natural resources it takes to get food from farms to our forks!

**NO FOOD
LEFT BEHIND**
- CORVALLIS -

Watch FUN videos
with your elementary
students

Kids learn how to waste
less food & help their
families save up to **\$1600/**
year in food costs!

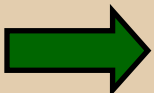

Videos available in both
English & Spanish

After the videos,
Magic Mama leads
students LIVE in
musical, educational
activities from these
videos, in English

TEACHER FEEDBACK: *“Magic Mama inspires students of all ages to understand how we are all connected, and how we can be the change our world needs. I highly recommend inviting her to your class!”*
